Primary PE and Sport Premium 2023-2024

Our vision:

ALL pupils leaving the school will have the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport. **We aim to ensure lessons are accessible to ALL learners (SEND, disadvantaged children and more-able children). We want many children to embrace new challenges and skills, and persevere during activities, overcoming any behavioural challenges they may face.**

Our aims:

1) **We aim for children to leave our school with an understanding of how to lead an active and healthy lifestyle, both physically and mentally, fostering a love of sport. This links to a strong commitment to Physical Literacy:**

   Physical literacy is the motivation, confidence, physical competence, knowledge and understanding of individuals and how this influences the way they value and take responsibility for engaging in physical activities for life. Physical literacy provides clear direction for nurturing a lifelong engagement in physical activity that can positively contribute to one's overall quality of life. Physical literacy encourages us to look at physical activity engagement through a different lens. It considers each individual's physical, emotional and mental engagement in physical activity; how they behave, think and take part.

2) **For pupils to have 30 minutes of being active every day.**

3) **More experiences of competitions- in-person and virtual, to continue to foster a love of sport.**

It is expected that the school will see an improvement against the following 5 key indicators:

1. **Continued engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles and preserving during new challenges, fostering a love of sport.**
2. **Raise the profile of PE and sport across the school as a tool for whole school improvement, linking to themed weeks.**
3. **Increase confidence, knowledge and skills of all staff in teaching PE and sport and using the STEP approach during lessons.**
4. **Broaden the experience and range of sports and activities offered to all pupils, including in-person and virtual events.**
5. **Continue to increase participation in competitive sport across the borough.**

From September 2023 to July 2024, the school is due to receive £19 380 from Sports Premium funding. The school intends to spend this allocation as set out below.

Expenditure	Amount	Intended Impact
Sports Coaches	£16 950	Lunch time provision • To ensure that children are active for at least 30 minutes per day. • To provide pupils with the opportunity to try new activities and to practice and improve their PE skills. Team teaching • To support staff to develop their skills in order to ensure that all PE teaching is at least good. The focus will continue to be on differentiation, challenge and structure of lessons.
Membership in the Havering Sports Collective	£1 950	• To enable children to have access to in-person and virtual competitions across the borough. • To support the training of the PE lead and develop their role within school

Outdoor Classroom App	£480	• To support the teaching of the OAA unit across P.E and the wider curriculum.
